

YOUNG ADULT living with daily PAIN?

Come together and share your experiences living with pain.

We also have guest speakers coming in to share information on many topics dealing with pain.

YAP is a group aimed at giving young adults dealing with pain a place to meet, listen and share with other young adults who are going through similar experiences.

We will meet once a month.

YAP youngADULTPain

If you are Aged 17-30 and suffer daily pain then please come along:

4th Wednesday of the month, 6-7:30 pm, Conference room, Pain Management 4th Floor Dickson Building, University Avenue, Halifax.

For more information call (902) 473-7672

or

Dawn George at the IWK at (902) 470-6802
